

BIG HATCHIE BAPTIST-WMU

NEWSLETTER

September / October 2013

Issue 27

- ① As you plan your year, please consider what your goal is. I hope the goal is to spread the Gospel in your community. This may be done by mission work. We have several projects this year in the Associational WMU and I hope you will participate in them. My aim is to be a team and work together for His Glory.
- ① The WMU Directories will be available for your taking at the September Quarterly Meeting and at the Associational Annual Meeting in October. It is packed with valuable information.
- ① Enclosed you will find a revised New Testament for Newborns schedule. If your church or an individual in your church is interested in participating in this ministry, contact Monta Ray Conrad at 731-635-0191 and she will schedule an orientation for you to attend.
- ① I would love to attend a WMU /Women's Ministry meeting at your church. Please let me know when I may attend. If you are interested in beginning a Women's Ministry and need help, I am there to try and assist.
- ① From the The Leadership Team:
 1. Victory Baptist has a young person, Zach Parker, going on the Associational Mission trip to Taiwan this month. We will be sending a small mission fund to him. Pray God will use him in a special way.
 2. Faith Fellowship of Rigby, Idaho is in need of supplies for their opening September 22, 2013. They are being led by our own Scott Plath and his family who are church planters there among a population of mostly Mormons. Please pray for them as they prepare for this event. The Associational WMU will be donating \$150 for nursery supplies. If your WMU would like to assist in other items, there is a list on the Big Hatchie Website. Please make check out to Calvary Baptist Church and in the "memo" write Rigby Launch Supplies. Checks may be mailed to Calvary Baptist Church, 4116 E. 230 N., Rigby, Idaho.

We are collecting plastic Walmart bags. Why? Well let me share this project that would be something your church can get involved in. Crochet sleeping mats for the homeless. That's right! It takes approximately 500 bags per mat. These bags may be dropped off at the Associational Office. If you are interested...check out U-Tube ("mats for the homeless") and it will show you step by step of how to make them. Let me know if you are planning to do this.
