WHAT IS GOING ON?

The crisp air is upon us. You know what that means...Lottie Moon Christmas Offering and the Week of Prayer for International Missions. Churches should have received packets by now so set your goals and get everyone excited. Don't forget that Peru is our Mission Study.

As some of you know, I was unable to attend the WMU Board Meeting and the Missionary House Dedication Service due to some illnesses in my family that needed to be attended to. However, those who sent me their scripture verses they were written on the studs of the house. I did not forget you. As always the Lord provided and mission accomplished thanks to the Tennessee WMU President, Bobby Turner who emailed me and said she would make sure it was done.

Several of the churches have brought plastic bags to the Associational Office so they may be crocheted into mats for the homeless. Some have picked up a supply and have started making the mats. Thank you!

Three attended the New Testament Orientation in October. Monta Ray is in the process of scheduling a DAY Orientation soon. More information coming. Contact Monta Ray Conrad if interested at 731-612-2650.

Dec. 13: Single Mom's Ministry at Oak Grove 6-9 p.m. To register and for more information, www.livinghislegacy.webs.com

First-Covington hosted a World Craft Party in October. Dr. Buffy Cook gave a presentation about "Hope for Africa" and was presented with approximately 200 dresses that were made with loving hands. The mission team will give them out on their next mission trip in Nov. 2013.
