WHAT IS GOING ON?

- ① The holidays are over and a new year has begun. Now it is time to kick back and get our plans together for the year.
- ① No one attended the New Testament Orientation on November 18. Monta Ray is in the process of scheduling a DAY Orientation soon. Please, if you are scheduled to attend a class and cannot, let Monta Ray know so she may contact Br. Jordan. If interested contact Monta Ray Conrad at 731-612-2650.
- ① Please remember we still have a need for money for the Myra Short Scholarship Ministry. \$1,000 is given to the recipient. Presently have \$438.00 in this account. Applications will be coming to your church soon so be on the lookout for it and think of someone for this. Remember that this is only for those attending or going to attend Union University in Jackson, Tn.
- ① We are hoping to have a Director's Brunch the first part of April. So keep this in mind when planning your calendar. More information will be coming.
